### **NOW WHAT?**

- Do I harbor a sense of shame or a guilty conscience about things for which I know I have been forgiven?
- Does my practice (behavior) match my position of righteousness?
- What practices are there in my life that I do not believe are led by the Spirit?
- As an adopted member of the family of God, how would I evaluate my contribution as a family member? What practical difference should the promise of future glorification make on my present physical, mental, and emotional capabilities?
- Do I ask the "why" question more than the "how" question?
- What do I fear - and why, in light of the promises of God?
